

## 49th Beaver Colony News

Winter is finally here! This means the holiday season is near and the first half of our 2009-2010 Beaver program is about to end.

We have had a ton of fun and success these first four months. Our first ever buddy night was a whirlwind of activity, as we hosted about 30 kids plus parents. Our Scouts Popcorn campaign was a success as through the efforts of our beavers and parents, our little colony sold \$4,622 of popcorn, which netted \$757 for colony use. Good job everyone!

### *And in other news....*

In the November 19 edition of the "The Metro", the 49<sup>th</sup> Beaver colony was recently profiled. The article discussed the recent rebirth of our colony and interviewed some of our beavers and beaver parents. If you haven't seen the article, please ask one of the beaver leaders.
