FALL 2010

The newsletter of the 49th Winnipeg Cub Pack

The 49th Cub Pack Is Back!

After a few years in hiding, the 49th Winnipeg Cubs are back and ready to serve the community again.

The Cubs are based on respect, both for others and for themselves, always “doing your best,” and helping each other be the best they can.

This Year in Cubs...

We have an exciting year planned that will get the Cubs outside experiencing nature, serving in the community and flexing their creative muscles. Hopefully, by the end of the year, we will have the Cubs tying knots around everything!

A taste of the activities we have planned this year are:

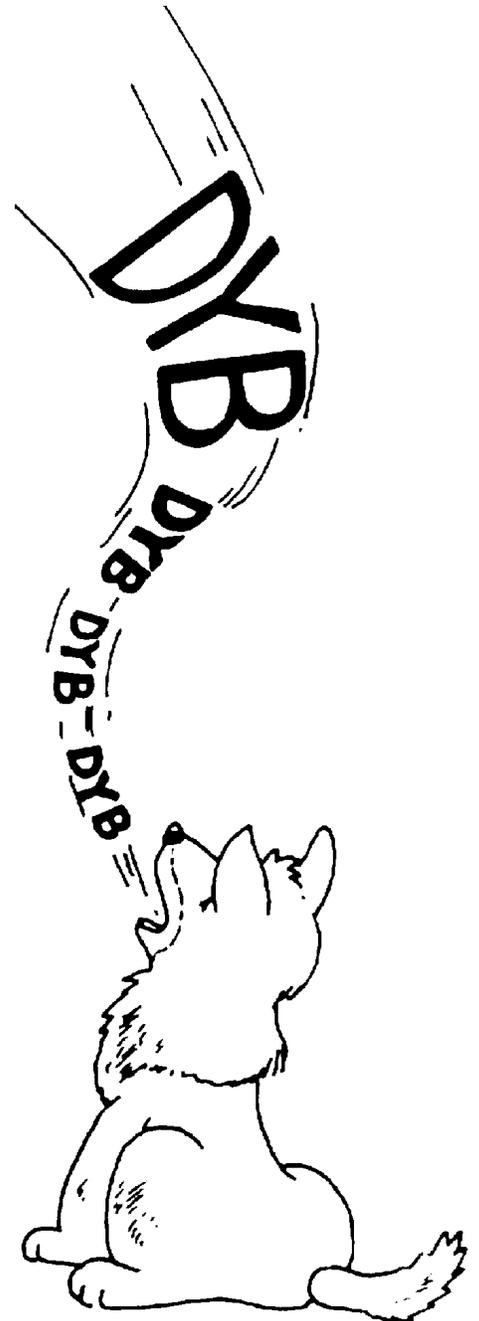

- Fall, winter and spring camps.
- Lots of hikes to learn about animals, nature and our environment.
- Community service, gardening, puppetry, art, music, and carpentry are just some of the other activities we will cover this year. We may even attempt to build a go-cart!

We Want Your Help!

We would really like Cub and parent involvement in everything we do. We want to know if we are providing the best program we can. Feedback is always welcome, because that is the only way we can grow this Cub pack into an amazing, safe and exciting place for kids to explore nature, develop their inner creativity and make new friends.

We also want to start a parent council to oversee the entire 49th Scout group, from Beavers up to Venturers, so if that is something that interests you, please speak to our group commissioner Ian McLean.

Also, we are always looking for more leaders, so if that is something you can see yourself doing...we would love to speak to you about it!

“Do Your Best”

49th Cubs Programming

Details and forms to go out Sept 9

- Sept. 30** – Royal School cleanup
– Meet at the school

“The man who is blind to the beauties of Nature has missed half the pleasure of life.”

“When a Cub hears the words “nature study” their first thought is about school collections of dried leaves, but real nature study means a great deal more than this; it means knowing about everything that is not made by man, but is created by God.”

A Cubmaster was teaching a Cub natural history, and asked: “What is a rabbit covered with - is it hair, or wool, or fur, or what?” The Cub replied: “Good gracious, Akela, haven’t you ever seen a rabbit?”

- Lord Baden Powell, founder of the Scouting Movement

October

- Oct. 7** – Investiture night
– Garden Care

- Oct. 14** – Photo hike at Assiniboine forest
Rain or shine - dress for the weather

- Oct. 20** – Corn maze
