Klondike Derby is the ideal winter event for Scouts and Cubs. It's an event that tests Teamwork and Scouting skills .

1. Teams should consist of eight (8) members.
2. Each team must carry a mandatory equipment (both Cubs and Scouts are required to use a Klondike Sled)
3. Teams follow a map through the woods to 10 "towns" in Camp Amisk.
4. At each "town" the team is assigned a task that tests Scouting and/or Teamwork skills (i.e. log sawing, lashing, estimating, fire lighting)
5. "Gold Nuggets" are awarded based on how well the task is performed.
6. Leaders are responsible for the ensuring that youth are prepared, properly clothed and supervised. All youth must be properly dressed for the weather. Should a youth arrive and it is determined that they are not properly dressed, the team will not be allowed to participate.
